

Welcome to Hochtaunuskreis

How do I find work?

Where can I learn German?

Where can I find childcare for my children?

Which school do my children have to go to?

During the first weeks and months in Germany, many things may seem strange to you. What was simple in your country of origin may work different here.

Find out more and make use of the counseling services. Here you can find out who you can turn to. The migration counseling staff will help you from your first day in Germany.

In a personal conversation, they will develop a plan with you to quickly find your way around everyday life in Germany.
