SEMINAR

Funded by the Government of the Federal State
of Hesse in context of the „Weiterbildungspakt“

Figuring Out Germany – Life Hacks for Every Day

What is the best way to deal with government agencies in Germany? What does 'Antrag', 'Bescheid' and 'Widerspruch' mean? Which organisations and unions can help me to enforce my rights when needed?

Over the course of 4 days, we will explore these questions and more:

- Which authorities should I contact for my purposes? Where and how can I apply for what?
- What can I do if I do not agree with an administrative decision?
- Where can I get guidance and support in case of problems (e.g. at work or with my landlady/landlord)?

The seminar will take place at the Caritas-Zentrale and includes a field trip or two.

Lunch and beverages are provided free of cost.

This seminar is completely financed by the Government of the Federal State of Hesse and is free of charge for you.

Newcomers to Germany are especially welcome. We will be mainly speaking simple and easy to understand German, however we are happy, when needed, to explain certain terms or ideas in English.

Interested? Then go ahead and register while you can! (Limited number of participants!)

We look forward to meeting you!
